## **DETAILED ACTION**

## Examiner's Amendment.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Cancel Claims 22-38 due to non-elected claims, elected without traverse.

2. Examiner took notice of remarks made on 04/01/05. Claims 1-21 are presented for examination.

#### Reason for allowance

# 3. Claims 1-21 are allowed.

The following is an examiner's statement of reason for allowance: Claims 1-21 are allowable since none of the prior art teaches or suggests the claimed limitations having a method of forming a nonvolatile memory comprising the steps of forming a first control gate over the substrate, forming <u>sidewall spacer control gates</u> adjacent to sidewalls of the first control gate, the sidewall spacer control gates being separated from the first control gate by at least an insulating liner, and among other steps and features cited in independent claim 1.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
